REGULAR FIT | 100% POLYESTER COOLDRY FABRIC | 165 GSM

If you are looking for something different or new for your daily Hi Vis work wear this might be the one you will like. Fitted with fashionable and contemporary panels and lines this polo shirt has mixed fashion and work wear so well. It is made from genuine yarn treated moisture wicking Cooldry fabric which is up to 50% more expensive than the cheap chemically treated fabric that many of our competitors use. Only the yarn treated Cooldry fabric can keep long lasting moisture wicking function wash after wash. This polo shirt will not only make you look great but also keep you cool and dry all day long and all year long.

FEATURES:

- Genuine breathable yarn treated Cooldry fabric
- Faster moisture wicking and drying
- Single large pocket with button to secure your stuff
- Comply with Australian Safety Garment Standard AS/NZS 4602:1999
- Class D, for Day Use Only
- UPF Rating: 50+. Protection Category: Excellent
